

SPEAKERS BUREAU

Presentation Information

Presentation Category	Retirement, Career Transitioning, and Financial Planning
Presentation Title	Public to Private Career Transition Considerations: Who You Are is NOT Who You Will Be
Presentation Length	60 - 420 Minutes (1-7 Hours)
Presentation Objective	To prepare FBINAA members for a transitional career from public service to private industry
Presentation Description	A focus on the issues people will face in a career transition as they prepare to navigate private market career opportunities. Discussed are transitional issues related to retirement drivers, financial considerations, professional reinvention, emotional factors and the requisite transferable knowledge, skills and abilities required to venture into private industry. Of particular focus is your resume networking, interviewing and negotiating salary and benefits.
