Presentation Description	In creating and teaching a course in officer involved shooting, Zisi concentrates his efforts on taking care of the officers, and their families, who survived the traumatic event. In a culture where many will not admit they are having difficulty coping with the consequences of the shooting, Zisi implores police executives to put forth extra effort in identifying the needs of their people. Strategies and practices are identified which assist the agencies in

recognizes the needs and vulnerabilities of their officers.

Speaker Bio

Christopher Zisi retired from the FBI after 25 years as a Special Agent. From 2005 to 2015, he was an instructor in the FBI's National Academy, where he taught courses in Conflict Resolution and Officer Involved Shooting. Zisi also taught internationally in the subject of Interviewing and Interrogation.
