FBINAA Leadership Forums

Leadership Tactics & Strategies for Tumultuous Times

No other profession is under the national scrutiny like law enforcement and the profession is changing every day. This profession like never before in its history needs leaders who are dynamic, competent, professional, and willing to lead in these turbulent times. The FBI National Academy Associates has put together this dynamic two-day Leadership Forum to prepare leaders of all levels to become the leader of character, competence, and courage.

Course Objectives:

- Knowledge on how to manage, engage and lead through Civil Unrest/Protests/Marches
- Know when it's time to step in when another officer is crossing the line
- Gain skills in Transparency, Public Information and communicating effectively and efficiently
- Learn new Hiring and Retention Tactics and Strategies
- Overview of the Defund the Police Movement, and how will it impact an agency
- Social Media: the law, the policy, and the ramifications

This Forum serves as Course 3 of our Leadership Certification Program, visit: fbinaa.org/education/leadership-certification-program
