Dear _____:

You have already invested in the National Academy Training. Now continue the experience.

In order to further my professional development and support _____ in providing the best service to the community, I would like to join the FBI National Academy Associates (FBINAA) as a member, and have the agency cover the membership fee. Membership in the FBINAA will greatly benefit my professional development and allow me to bring my enhanced knowledge and skills to this agency and community. Benefits of membership with the FBINAA include:

- A global network of over 16,000 members world-wide who are comprised of the top 1% of law enforcement leaders. This Network can be called on to help answer questions, and share information on best practices.
- Access to training through local and national conferences, online webinars, pod casts, and videos – covering a multitude of topics such as Officer Resiliency, Safety & Wellness, to Executive Leadership and Rebuilding Communities. All active members receive FREE access to training virtual events and discounts to in-person conferences and re-trainers.
- A complimentary subscription to The Associate Magazine and bi-monthly newsletters. Articles are from FBI and other FBINAA subject matter experts who share their lessons learned and best practices that address critical issues in law enforcement.
- A complimentary Mobile App for Android and iOS platforms. The Connect App gives you immediate access to everyone in the Network in a secure, private format. Features include FBINAA Newsfeed, member to member direct messaging, Session/Chapter/Special Topic Forums, Training Event listings, and a Resource Folder.
- Immediate access to emergency funds for my family through the FBINAA Charitable Foundation should I have a family emergency, health crisis, or natural disaster.

These are just some of the benefits that an active FBINAA membership will provide me. All of which will increase my leadership capacity and greatly enrich my continued professional development. Plus, the annual membership fee is almost half the cost of other law enforcement associations.

The FBINAA Membership will yield a positive return on the agency's investment.

Thank you for your support of my request.

Sincerely,

The World's Strongest Law Enforcement Leadership Network
