

FBINAA Leadership Forums

Officer Resiliency, Safety, & Wellness

The FBI National Academy Associates' two-day Officer Resiliency, Safety, & Wellness Leadership Forum will convene law enforcement executives who will share officer resiliency, safety, and wellness case studies, new research, emerging issues that will improve and save lives, families, and careers of police officers around the globe. Participants will also have exclusive access to cutting-edge presenters and officer safety and wellness champions.

Course Objectives:

- How to develop Trauma-Informed Leadership and the Future of Officer Wellness
- The impacts of adopting Below 100
- Become aware of Law Enforcement Stress & how to create Work-Family Conflict Initiatives to Increase Wellness and Resiliency
- The adaptation of Blue Courage in Health & Wellness Gain knowledge and develop the skills for Rebuilding the Tactical Athlete to Enhance Officer Longevity
- Law Enforcement is very hard on your heart, attendees will learn the steps to Bullet-Proofing your Heart and lead your agency in heart health
- Reverently communicating with the public, press and family members after an Officer Suicide

The FBI National Academy Associates is dedicated to providing the highest degree of law enforcement expertise, leadership training, and information to law enforcement executives around the world. The FBINAA Gold Standard Training is open to all FBINAA members, as well as anyone in the criminal justice field who wants to expand and develop their leadership skills in order to strengthen their knowledge base, their departments, and their communities.
